

LaSalle Brittany Club presents

Grooming 101

Whether in the field, the show ring or family companion

All Brittanys require *basic grooming!*

And ***YES, you can*** groom your own Brittany.

It's never too early to put them on a grooming table.

Bring your Brittany, grooming tools and questions to the meeting
for a ***HANDS-ON*** experience
with help from more experienced club members.

Refreshments will be served!
